

THE 13th Annual INDOOR CHRISTMAS TREE WALK

Dear Friends,

The Lyon County Historical Society Museum is bringing back a holiday favorite. Plans are well under way for the 2025 Christmas Tree Walk, scheduled to **start November 22 and end on New Year's Eve**. The tree walk will be inside the Lyon County Museum where it is warm and toasty! The trees will be awed and wooed with the lights twinkling all through the night. And, the best part is: you won't have to freeze your toes decorating or admiring the splendor of holiday trees!

Here is your chance to contribute your creativity and decorate a tree to be viewed by museum visitors over the holidays and shared on the museum's website and social media. We encourage you to be as creative as you can be, and to share your story with your decorated tree. We have a number of 6ft and over artificial trees available on a first come basis. Or, you may choose to bring your own artificial tree of any size. **After confirmation by October 28, the tree is available to decorate November 3-20. To decorate after museum hours, please let us know. We ask that your tree is decorated before November 21 for a preview event at the museum.**
